

## 2019 CSAMSE Conference Call for Papers on Special Issue

### Data Science and Scientific Management

*Journal of Management Science and Engineering*

Special issue on Data Science and Scientific Management

#### Guest Editors (in alphabetic order)

Fangruo Chen, Shanghai Jiaotong University

Michael Pinedo, New York University

Jeannette Song, Duke University

Data science as well as data analytics, derived from the application of Internet of Things, Cloud Computing, Artificial Intelligence, has a substantial impact on the acquisition of enterprise resources, production/operations, logistics, transaction, product development and financing activities. It can greatly improve the efficiency of commodities production and circulation, and profoundly change the mode of production and consumption of social and economic systems worldwide, which has attracted widespread attention of both industry and academia.

This Special Issue, therefore jointly launched by NSFC and CSAMSE through the platform of 2019 CSAMSE conference, seeks to publish high-quality scholarly papers that focus on original works or comprehensive reviews with relevancy of Data Science and Scientific Management in the fields of management science and engineering. Some topics include, but are not limited to, the following:

- Data-driven management and decision-making
- Big-data analytics in MS&E
- Business intelligence

#### How to make a submission

Please submit your paper via the following website: <https://mc03.manuscriptcentral.com/jmse>

In the process of submission, please select type "Special Issue" and special issue "Special Issue on Data Science and Scientific Management\_2019CSAMSE."

#### Publication schedule

Manuscript submission deadline: June 30, 2019

Deadline for final decision notification: Oct. 20, 2019

Tentative date for publication: Dec. 2019

#### About JMSE

*Journal of Management Science and Engineering* (<http://engine.scichina.com/publisher/CSPM/journal/JMSE>) is a peer-reviewed open access scholarly journal on all aspects of management science and engineering published quarterly online. *JMSE* is sponsored by National Natural Science Foundation of China (NSFC), Science Press, Tianjin University and CSAMSE. *JMSE* collaborates with Elsevier through KeAi. All published papers are available on ScienceDirect.

#### Benefits of publishing with JMSE

- Open access (unlimited and free access for readers; authors retain copyright)
- Free publication for well-prepared manuscripts
- Identified as "A Class Journal" by Department of Management Science, National Natural Science Foundation of China (NSFC)
- Fast-track review process for all submissions in this Special Issue: manuscripts are peer-reviewed and a first decision provided to authors approximately no more than 30 days after submission
